

DANGER IS EVERYWHERE

Does this book warn you about what to do if a shark comes up out of the Loo while you are sitting on it? **Yes** it does. And how to find out if your granny is a robot? That too.

Can you spot the five differences between the two pictures below?

SPLOD (Special Protocol Language Of Dangerology)

The life of a dangerologist can be very busy, often there isn't time to use full words. Can you match the dangerology acronyms with their meanings?

- TID Danger Alerting Device
- DAD Not At ALL Delicious
- POD That's Incredibly Dangerous
- NAAD Pupil Of Dangerology
